## Education

### B.Tech | Computer Engineering

Silver Oak College of Engineering and Technology

2018-Present

6.59 CPI

### 12<sup>th</sup> Board | GSEB

Seth R.T New High School

2018

65%

### 10<sup>th</sup> Board | GSEB

Arpan Vidhya Sankul

2016

60%

## Skills

### Languages

- Java
- Python
- C
- JavaScript
- XML/JSON
- Kotlin

### Technologies

- Android Studio
- Flutter
- Firebase
- Git
- Web Development

## Projects

- Quiz App (Multi Questions Quiz Application)
- Attendance Management App

I created this app for management of company's Employee Attendance record. Where manager can easily fill up attendance of particular employees and also know what kind of work assigned to that particular employee.

- Chat App (Under Development)

I Created this app for our family. In this app, I have used **Firestore** as a backend service for Authentication, to store data in Firestore Realtime database, and also implement news section where members can read latest news. I have used **news API** for retrieving news related to user's keyword.

- Portfolio Website using HTML and CSS.
